

Eva Azoulay

Vice President, Global Business Services & Transformation
Carrier

Eva Azoulay has been appointed to a newly created role as Carrier's Vice President, Global Business Services & Transformation. In this role, Eva will lead the transformation of the company's operating model to ensure world-class performance as One Carrier. She will also optimize functions through a new Global Business Services capability enabled by shared services and digital solutions across Carrier's geographies.

Eva is joining Carrier in the first quarter 2020 from Pratt & Whitney where she has held numerous, global and large-scale business leadership roles over the course of her 25-year career with UTC. Most recently, she has served as Vice President, Commercial Aftermarket, leading a broad range of aftermarket services to generate growth through enhanced offerings with a heavy focus on digital solutions. Eva brings with her extensive knowledge and experience and knows what it takes for businesses and functions to successfully operate together.

Eva earned a bachelor's degree in engineering from McGill University and an MBA from Concordia University.
