

## **Tim McLevish**

Executive Vice President & Chief Financial Officer  
Carrier

Timothy McLevish is Executive Vice President and Chief Financial Officer of Carrier, providing strategic direction and leadership to the Finance function globally. In this role, he is responsible for all aspects of finance, including accounting and controls, financial planning and partnering with business leaders to promote our profitable growth agenda.

Prior to joining Carrier, Tim served as senior advisor to the Chief Executive Officer at Walgreens Boots Alliance, advising on strategic partnerships and M&A. He brings nearly 30 years of financial leadership experience to Carrier, including significant spin-off and start-up experience, as well as unique capabilities from serving in board of director roles at public companies ranging from executive chairman to committee chair.

Tim received an undergraduate degree from the University of Minnesota and an MBA from Harvard Business School.
